### (MM) Mindset Monday

The goal of each week is to begin with a positive quote that provokes thought and reflection. We encourage taking dedicated time to review the message and jot down your answers to the personal reflection questions. Use this time to set your mind on the days ahead and support your navigation of the coming week. Each Mindset Monday is posted on the UTK-HR website.

### (TWC) Telecommuting with Children

Each week we will take on the challenges of working from home while also navigating parenthood during the reality of COVID-19. We commit to open, honest, and judgement-free discussion of the complexities present as parents during a pandemic. Sessions are recorded and posted on the UTK-HR website.

### (LD) Leadership Development*

Every 1st and 3rd Wednesday we discuss leadership best practices on a wide range of topics designed to increase the UTK leadership competency. As leaders during pandemic times, we have new challenges and new sources of support that can lead to growth. Sessions are recorded and posted on the UTK-HR website.

### (PD) Professional Development*

Every 2nd and 4th Wednesday our sessions will focus on how each topic can impact our effectiveness with all levels of staff at UTK. We will navigate each topic discussing what effective looks and sounds like in action. Sessions are recorded and posted on the UTK-HR website.

### (L/L) Lunch and Learn*

Monthly lunchtime sessions on a topic related to one of our LD or PD sessions. We engage in different style of discussion for this session and provide bite-sized development.

### The Connection

Monthly L&OD newsletter providing information on activities and future development session schedules from Learning and Organizational Development.
