COURAGE IS WHAT IT TAKES TO STAND UP AND SPEAK. COURAGE IS WHAT IT TAKES TO SIT DOWN AND LISTEN.

- WINSTON CHURCHILL

**PERSONAL REFLECTION**

- In what ways have you seen courage modeled by leaders?
- When have you had the courage to stand up and speak? When have you had the courage to sit down and listen?
- How do you determine when to have the courage to stand up and speak or sit down and listen?
