LOD Support Options and General Support Request Process

LOD is available to offer support for a wide variety of individual and team needs and following the steps below will maximize our ability to work with you and target your specific situation.

- 1) Access the LOD request [form here](#).
- 2) Complete all page 1 fields.
- 3) On page 2 indicate if the request is specific to the facilitation of Clifton Strengths results, if yes indicate and answer all remaining questions (also reference Clifton Strengths Request Process).
- 4) If NO, continue with page 3 and provide as much detail as possible regarding the reason, projected time of LOD involvement/delivery, and reason for the request.

While completing the form please consider that LOD can offer the following types of support, depending on your specific situation:
