LOD Support Options and General Support Request Process

LOD is available to offer support for a wide variety of individual and team needs and following the steps below will maximize our ability to work with you and target your specific situation.

1) Access the LOD request form here.

2) Complete all page 1 fields.

3) On page 2 indicate if the request is specific to the facilitation of Clifton Strengths results, if yes indicate and answer all remaining questions (also reference CliftonStrengths Request Process).

4) If NO, continue with page 3 and provide as much detail as possible regarding the reason, projected time of LOD involvement/delivery, and reason for the request.

While completing the form please consider that LOD can offer the following types of support, depending on your specific situation:

- Myers-Briggs Type Indicator (Personality Assessment)
- Enneagrams (Core Belief Assessment)
- Team Effectiveness & Development
- Coaching
- Situational Consulting
- Intercultural Development Inventory (Cultural Orientation Assessment)
- DISC (Behavioral Assessment)
- Individual Development
- STRIDE for Staff
